

STAND UP 2 THE MENTAL HEALTH ASS.

12 bar blues in A

Stand up to the Mental Health Ass.

Stand up against that eugenics crap

That organised medico crime

That association that we don't want to be part of

Stand up to the Mental Health Ass.

Killing and maiming so many.

Doing evil as evil do

I don't think that's funny

And nor should you.

Stand up to the Mental Health Ass

Stand up against that indoctrinating shit

They're a pack of lying arseholes

You don't want to be surrounded by

Dragged off into their labs, put on horrible drugs

Electroshocked and tied to a bed

All things the Mental Health Ass says

Are good for you and I.

Stand up against the Mental Health Ass
As they'll tell you to get used to their trial
As they torture you until you die,
Then say they did all they could for you,
And that it was all for your good
That you had a disease they couldn't prove.

Stand up to the Mental Health Ass.
They're a pack of lying arseholes
You don't want to be surrounded by
Propagating their stupid lies
Ugly pollution
Poisons to imbibe
Until everyone dies.

Stand up to the Mental Health Ass.
Don't let their stink harm you
Exploitive human research
Of the cruel ugly violating kind

Stand up to the Mental Health Ass.

And getting their dirty fingers

Into the political pie.

Paying off all parties

To silence their victims' cries

Stand up against the Mental Health Ass.

Even as it farts out its gas.

Stand up against the Mental Health Ass.

Don't want to get caught in its clause

And never get out of its trap.

Stand up to the Mental Health Ass.

No one wants to be surrounded by

Arsehole whitecoats, that will make you die

No one wants to be surrounded by

Arsehole whitecoats, that won't let you thrive.

Stand up to the Mental Health Ass.

No one wants that to rule their lives

Or ruin it either, as the Mental Health Ass. does.
